

Centre name : Centre for Consultancy and Euro-Regional Rural Co-operation (CC&EU)-
 Banat University of Agricultural Sciences and Veterinary Medicine from Timisoara
 City : Timisoara

Country: Romania
 Telephone: +40256424232, mobil +40723547363
 Website: <http://www.s-stress.ro/>
 Facebook page:-

Name of the contact person: Radu Sumalan
 Position: professor.dr. President
 Email: sumalanagro@yahoo.com

The research programmes of your centre

Specie : Tomatoes (*Lycopersicon esculentum* L.)

Person of contact for this programme : professor.dr. Radu Sumalan
 Email : sumalanagro@yahoo.com

Vegetal material	Technical itinerary	Integrated protection	Agrobiology	Other subjects
x		x	x	

Specie : *Phaseolus vulgaris*

Person of contact for this programme : professor.dr. Ciulca Sorin
 Email : c_i_sorin@yahoo.com

Vegetal material	Technical itinerary	Integrated protection	Agrobiology	Other subjects
x			x	x

Specie : *Capsicum annum*

Person of contact for this programme : professor.dr. Emilian Madosa
 Email : madosae@yahoo.com

Vegetal material	Technical itinerary	Integrated protection	Agrobiology	Other subjects
x			x	x

Current partnership with other research centres (national or international)

Specie : Lycopersicum esculentum, Phaseolus vulgaris

Nature of the project: Screening for salt tolerance of some local vegetable landraces for conservation of genetic potential and biodiversity

Length of the project: 2012-2016

Partner names and countries: West University Vasile Goldis –Arad, Romania,
University of Agriculture and Veterinary Medicine Iasi-Romania,
Biological Research Center-Jibou, Romania.

Are you searching for more European partnerships with other research centres?

On what species : Tomatoes, pepper, beans.

What kind of projects are you searching for: Genetic resources, old cultivars and landraces, for increasing tolerance to biotic and abiotic stress factors,

Salt stress, nutrient deficiency, mycorrhizae, endophytes,

What kind of partners are you searching for? From which countries?

Universities, research centers, gene banks, SME-s from all countries.
