

LEI

WAGENINGEN UR

Centre name : LEI Wageningen UR

City : The Hague

Country: The Netherlands

Telephone: +31 (0)70 3388358

Website: www.lei.wur.nl

Facebook page:

Name of the contact person: N.J.A. (Nico) van der Velden

Position: Researcher / project leader

Email: nico.vandervelden@wur.nl

The research programmes of your centre

Specie : Tomatoes

Person of contact for this programme : N.J.A. (Nico) van der Velden

Email : nico.vandervelden@wur.nl

Vegetal material	Technical itinerary	Integrated protection	Agrobiology	Other subjects
		FP7-project PURE Production regions, Crop areas, Production seasons, Price analyses. Contacts with input suppliers, tomato growers, trade companies		Local for Local Production costs, Transport costs Contacts with growers(organizations), exporters, transport & logistics

Specie : Fruit Vegetables (tomatoes, sweet peppers, cucumbers, ...)

Person of contact for this programme : N.J.A. (Nico) van der Velden

Email : nico.vandervelden@wur.nl

Vegetal material	Technical itinerary	Integrated protection	Agrobiology	Other subjects
				Sustainable production, Production regions, Crop areas, Production seasons Contacts with stakeholders like input suppliers, trade companies, statistics offices

Specie : Greenhouse Horticulture

Person of contact for this programme : N.J.A. (Nico) van der Velden

Email : nico.vandervelden@wur.nl

Vegetal material	Technical itinerary	Integrated protection	Agrobiology	Other subjects
				Energy tax schemes in European countries Contacts with stakeholders, regulators

Current partnership with other research centres (national or international)

Specie : FP7-project PURE, work package Protected vegetables (tomatoes)

Nature of the project: Integrated Pest Management

Length of the project: 2010-2015

Partner names and countries : INRA (France), CNR (Italy), IVIA (Spain), JKI (Germany), IOR (Poland), WUR (The Netherlands)

Are you searching for more European partnerships with other research centres?

On what species : Fruit vegetables, Tomatoes

What kind of projects are you searching for: Greenhouse horticulture, Fruit vegetables, Tomatoes, Sustainability, Energy, Sector structure, Market segments

What kind of partners are you searching for? From which countries? Crop researchers, IPM researchers, Crop advisors in greenhouse horticulture from Denmark, France, Germany, Italy, Poland, Spain.
