

**Centre name : Norwegian University of Life Sciences**

City : Ås

Country: Norway

Telephone: +47-90722521

Website:

Facebook page:

Name of the contact person: Richard Meadow

Position: Head of Plant Protection Section

Email: Richard.Meadow@nmbu.no

**The research programmes of your centre**

**Specie : (pests of) Brassica vegetables**

Person of contact for this programme : Richard Meadow

Email : Richard.Meadow@nmbu.no

Vegetal material	Technical itinerary	Integrated protection	Agrobiolgy	Other subjects
		X		

**Specie : (pests of) Allium vegetables**

Person of contact for this programme : Richard Meadow

Email : Richard.Meadow@nmbu.no

Vegetal material	Technical itinerary	Integrated protection	Agrobiolgy	Other subjects
		X		

**Specie : (pests of) Umbellifera vegetables**

Person of contact for this programme : Richard Meadow

Email : Richard.Meadow@nmbu.no

Vegetal material	Technical itinerary	Integrated protection	Agrobiolgy	Other subjects
		X		

## **Current partnership with other research centres** (national or international)

Specie : Brassicas

Nature of the project: Testing of a repellent.

Length of the project: 2014-2016

Partner names and countries : NIBIO, Dr. Gunda Thöming, Norway, Univ. Copenhagen, Dr. Nicolai Meyling

## **Are you searching for more European partnerships with other research centres?**

On what species : various field vegetables

What kind of projects are you searching for: Developing IPM and alternative control methods.

What kind of partners are you searching for? From which countries? Researchers and others interested in IPM. Any countries eligible for H2020 or ERA-NET.
