

# Research centres on vegetables

**Centre name :** VEGMAP - Vegetables & Medicinal and Aromatic Plants. DISAFA – Università di Torino

City : Grugliasco (TO)

Country: ITALY

Telephone: +39 011 6708773

Website: [www.disafa.unito.it](http://www.disafa.unito.it)

Facebook

<https://www.facebook.com/inhorto.sanitas>

Name of the contact person: Prof. Dr. Silvana NICOLA

Position: Research Leader

Email: [silvana.nicola@unito.it](mailto:silvana.nicola@unito.it).

page:

## The research programmes of your centre

### Species : Baby Leafy Vegetables, Leafy Vegetables: Soilless Culture Systems

Person of contact for this programme : Silvana Nicola

Email : [silvana.nicola@unito.it](mailto:silvana.nicola@unito.it); [inhortosanitas@unito.it](mailto:inhortosanitas@unito.it).

Vegetal material	Technical itinerary	Integrated protection	Agrobiology	Other subjects
				Protected Cultivations/Soilless Culture Systems

### Species : Aromatic Plants: Soilless Culture Systems, Quality of Raw material

Person of contact for this programme : Silvana Nicola

Email : [silvana.nicola@unito.it](mailto:silvana.nicola@unito.it); [inhortosanitas@unito.it](mailto:inhortosanitas@unito.it)

Vegetal material	Technical itinerary	Integrated protection	Agrobiology	Other subjects
				Protected Cultivations/Soilless Culture Systems

### Species : All vegetables. Postharvest Physiology and Technology

Person of contact for this programme : Giuseppe Pignata

Email : [inhortosanitas@unito.it](mailto:inhortosanitas@unito.it); [Giuseppe.pignata@unito.it](mailto:Giuseppe.pignata@unito.it).

Vegetal material	Technical itinerary	Integrated protection	Agrobiology	Other subjects
				Food Science and Technology

**Species : All vegetables. Supply Chain quality and safety**

Person of contact for this programme : Silvana Nicola

Email : [silvana.nicola@unito.it](mailto:silvana.nicola@unito.it); [inhortosanitas@unito.it](mailto:inhortosanitas@unito.it).

Vegetal material	Technical itinerary	Integrated protection	Agrobiology	Other subjects
				Food Science and Technology

**Species : All species.**

Person of contact for this programme : Silvana Nicola

Email : [silvana.nicola@unito.it](mailto:silvana.nicola@unito.it); [inhortosanitas@unito.it](mailto:inhortosanitas@unito.it).

Vegetal material	Technical itinerary	Integrated protection	Agrobiology	Other subjects
				Fertilization Irrigation Local product added value

**Current partnership with other research centres (national or international)**

At the moment, none structured partnership although research collaborations are in place since the last 10 years with the Universidad Politécnica de Cartagena, Spain.

Nature of the project: Collaborative research on soilless culture systems

**Are you searching for more European partnerships with other research centres?**

On what species : Leafy vegetables, greens and herbs

What kind of projects are you searching for: collaborative research projects

What kind of partners are you searching for? From which countries? Research centers and SMEs. Any country.
